

# CAMBRIDGE EDUCATION EARLY YEARS PROSPECTUS

DELHI PUBLIC SCHOOL  
NACHARAM

**The Best Early Years Education  
Program - South Asia**

# WELCOME FROM THE HEAD

## Sr. PRINCIPAL

Dear Parents

I am thrilled to extend my warmest greetings to you and introduce our Early Years program, which is proudly rooted in the Cambridge curriculum. Our commitment to providing a high quality education and a nurturing environment for your child is at the core of everything we do.

Our Early Years program is carefully designed to nurture inquisitive minds, foster creativity, and instill a love for learning that will last a lifetime.

The expertise of Cambridge Early Years program, NEP and NCF for foundation years continues to guide us as we create yet another unique platform for the upcoming Academic Year. Your partnership plays a crucial role, as our toddlers explore the world around them and make connections. Every day at school, is an opportunity to discover their potential, build creative skills and not forgetting the strong foundation of values that are imbibed.

The six learning areas in Early Years consider the learner's diverse needs. Assessments in early years are very crucial and provide insights about how the learners are progressing in each of these areas. Thus, teachers plan to further scaffold the child's learning and help them achieve and excel in each of the learning milestones. Overall, the joy quotient is our prime area of focus. It is our endeavour to create an ambience wherein learning is fun.

The role of parents, is pivotal during the early year's development. We encourage our parents to be involved in the child's learning. We believe that family is the child's core social group wherein parents can create a positive impact both in learning and socialization.

Thank you for considering DPS, Nacharam as the place where your child's educational journey can truly begin. We look forward to partnering with you on this exciting and rewarding adventure.

Sincerely,  
**Ms. Sunitha S Rao**  
Senior Principal & Deputy Director  
National Awardee  
Delhi Public School, Nacharam

## CHAIRMAN

Dear Parents

It is with immense pleasure and pride that I extend my warmest greetings to you on behalf of DPS Nacharam. Early childhood education is a pivotal stage in a child's development, and it lays the foundation for their lifelong journey of learning. At DPS Nacharam, the significance of this period is recognised and the Early Years program is designed with utmost care and dedication to ensure that your child receives the best start in their educational journey.

Our strength lies in our association with the prestigious Cambridge International. This partnership ensures that our students benefit from a world-renowned curriculum, designed to impart a holistic education that encourages critical thinking, problem-solving, and independent learning. We emphasize not just academic excellence, but also the development of essential life skills that prepare your child for the challenges of the future.

We are dedicated to equip your child for a world of endless possibilities. Our goal is to inspire them to become confident, compassionate, and responsible individuals who can thrive in an ever-changing global landscape.

Our commitment to excellence extends beyond the academic realm. We offer a wide range of extracurricular activities, sports, and cultural programs that provide students with opportunities to explore their interests, discover new passions, and develop a well-rounded personality.

I invite you to explore our prospectus to learn more about our Early Years program and the exceptional opportunities we provide.

Sincerely,  
**M. Komariah**  
Chairman-Pallavi Group of Institutions  
Pro-Vice Chairman-DPS.

## OUR CURRICULUM

Our Early Years program includes the Cambridge Primary Stage concepts, which support more informal, play-based teaching and learning approaches, and holistic planning, which is most suitable for an early years setting.

The Cambridge Early Years Program provides a wide range of resources, detailed guidance, innovative training to our facilitators so that your child can get the best possible experience in Early Years.

Cambridge International comparative work has shown the importance of principles such as

- Focus, Rigour and Coherence
- Powerful Knowledge
- Balance of concepts, Principles, Fundamental Operations & Core Knowledge
- Fewer things in greater depth in the primary phase
- Social Learning
- Values and Dispositions

THE CURRICULUM IS FURTHER ORGANISED IN SIX CURRICULUM AREAS:

**Communication, Language & Literacy**

**Creative expression**

**Mathematics**

**Personal, Social & Emotional development**

**Physical Development**

**Understanding the World**

# COMMUNICATION, LANGUAGE & LITERACY

This curriculum area includes four skills: speaking, listening, reading and writing. These are fundamental skills which should be integrated, applied and developed across all curriculum areas. The content is presented in two parts:

- Communication & Language which includes speaking, listening general reading & writing skills
- Phonics, handwriting and spelling

# CREATIVE EXPRESSIONS

We understand that creative expression plays a pivotal role in stimulating the imagination of children. It encourages them to conceive new ideas, refine existing ones, and continually develop their thought processes.

What makes it even more special is that creative expression seamlessly integrates skills and cognitive processes that span across the entire curriculum, building upon your child's unique experiences both within and outside of the school environment.

**THIS CURRICULUM AREA** INCLUDES FOUR AREAS OF LEARNING

**ART & DESIGN**

**MUSIC**

**DANCE**

**DRAMA**

# MATHEMATICS

At our school, we recognize the importance of nurturing your child's mathematical language and abstract thinking skills. Our curriculum dedicates specific time to mathematical activities while integrating math learning with their experiences across various subjects.

**DEVELOPING NUMBER SENSE**

**HANDLING DATA**

**UNDERSTANDING SHAPE, SPACE & MEASUREMENT**

**HANDS-ON EXPLORATION & DISCUSSION**

**VISUAL & NUMERICAL REPRESENTATIONS**

# PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

We prioritize the development of your child's personal, social, and emotional skills, which serve as the bedrock for all future learning. This curriculum area holds a central role in your child's daily school life, bolstering their well-being and overall academic achievement.

- EMPATHY
- POSITIVE INTERACTIONS
- COLLABORATIVE TEAMWORK
- BUILD CONFIDENCE
- EMOTIONAL AND SPIRITUAL WELLBEING

# PHYSICAL DEVELOPMENT

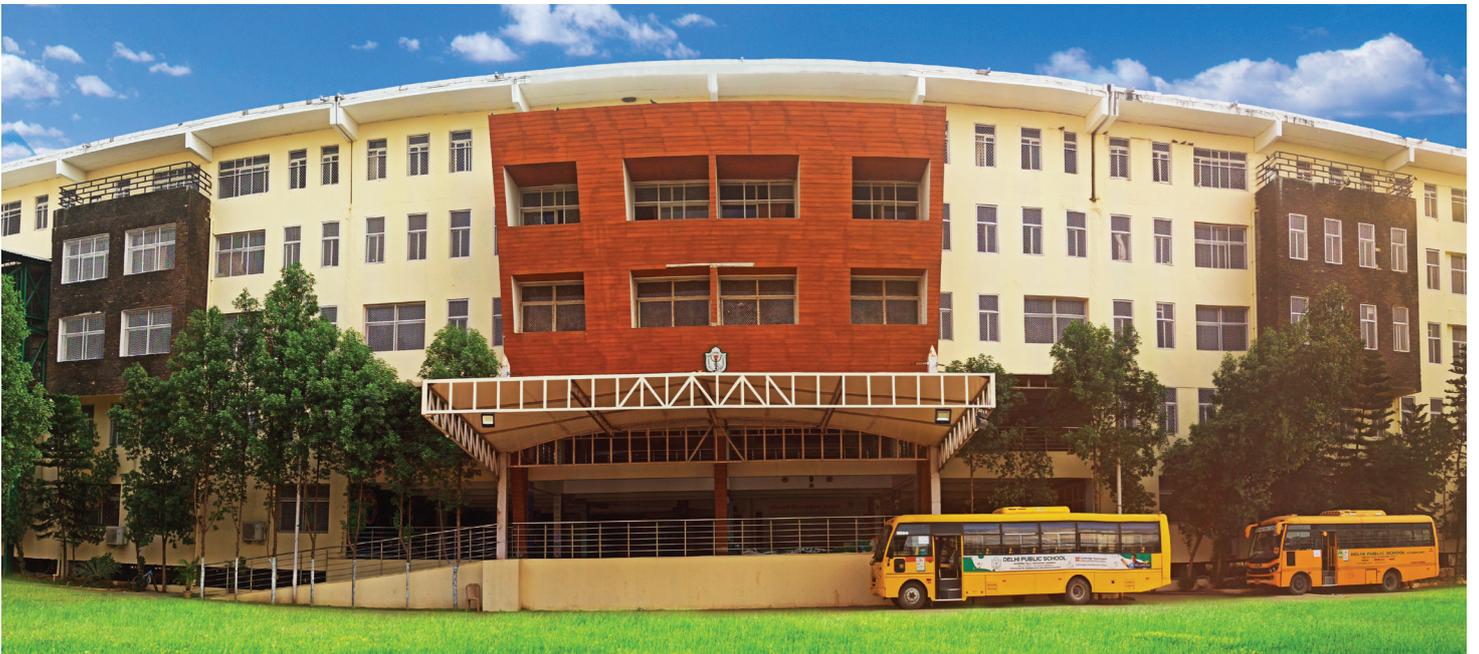

It is important, for both physical and mental health, that children lead active lives with regular exercise. This curriculum area builds on the physical development that occurs naturally during children's play

# UNDERSTANDING THE WORLD

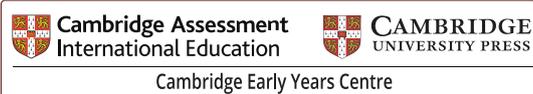

It is important to encourage children's natural curiosity, equipping them to reflect, question, explore and interact, and guiding their understanding of the world. This involves using a child's personal experiences, including their home experiences, as a basis for new learning, scientific thinking, digital technology, people, time and place
