FINISHING
SCHOOL CONCEPT

FINISHING SCHOOL CONCEPT: **EXTENDED SENIOR SCHOOL CURRICULUM**

Our Senior Secondary program offers a motivating and engaging environment, providing students with a wide range of subject choices including Science, Commerce, and Humanities. Equipped with excellent facilities, students can explore both academic subjects and co-curricular activities like sports, arts, and leadership programs. With a focus on holistic development, the school ensures every student has the tools to excel academically and personally. We empower the students with the skills needed to excel in their future careers while fostering independence.

**Do what you have to do
until you can do what you
want to do**

VOCATIONAL SKILL SUBJECTS (MANDATORY)

The curriculum for vocational skill subjects in Classes XI and XII is designed to enhance both academic and employability skills. These courses are not only skill-based but also serve as saviour subjects, preparing students for real-world challenges.

- Financial Marketing Management (FMM)
- Artificial Intelligence (AI)
- Food Nutrition and Dietetics
- Textile Design
- Yoga
- Data Science
- Taxation
- Business Administration

The focus of the school is on IDEALS

The school offers a unique programme for the students of Classes XI and XII - 'Integrated CBSE'. The program encompasses both board syllabus and preparation modules for competitive examinations.

SPECIAL FEATURES OF SENIOR SECONDARY:

School provides plethora of opportunities for an overall holistic growth. The skills thus learnt give an opportunity for rich profile building and certifications.

ACADEMIC ORIENTED

- Apprenticeship
- IFBM (Inter Firm Business Meet)
- Career Fair / Education Fair
- State-of-the-art Laboratories
- Regular Academic Support Beyond School Hours

SPORTS/ CO-CURRICULAR

- Regular Special Assemblies / Special Weeks
- Inter-School Competitions
- Intra-Murals/ Sports Academies/ Coaching
- Excellence in Performing & Visual Arts - Art gallery "Varnalepana" portrays students creative expression.

SKILL BASED

- Green Initiatives – students are sensitised towards environment conservation
- Basic Life Support (BLS) training is provided to students by Apollo
- Student Led Clubs & Initiatives
- Work Experience – various work experience activities are planned to foster creativity and thinking outside the box skills.
- Digital Integration – IT fest – Technex is an amazing display of technological prowess of the students.
- Field trips/ Educational Tours
- Life Skills
- LEO (Live Each Opportunity)
- Leadership Boot Camp

State of the art Laboratories

Holistic Development

The integrated projects bring about an out of the box thinking opportunities. Challenges are given for application of knowledge.

School provides plethora of opportunities for an overall holistic growth. The skills thus learnt give an opportunity for rich profile building and certifications.

Happy Hours / Skill Development

It is not always academics in DPS Nacharam. We believe in holistic development even at Senior Secondary level. The students learn and relieve their stress through various art forms like dance, music, painting, baking, debating, sketching, animation, dramatics, self-defence (karate/ taekwondo), Yoga etc. It not only destresses them but also gives them a break from the monotonous schedule.

Apprenticeship : Exposure to Industry

Our school has been organizing apprenticeship program for class XI students to get hands on experience in the career choice they want to take up. Students participate in a three day internship programme at top firms of the city thus enhancing experiential learning. They are sent to prestigious research institutes in Hyderabad like NGRI, CCMB, IICT, NIN, Medicity, Film City and TIFR etc. to interact with eminent scientists, advocates, CA's, Architects, and leading members from all professions.

IFBM

Inter Firm Business Meet is not just an academic project or a co-scholastic programme, it is a platform for students to learn, imbibe and inculcate how conferences around the globe are carried out, through the medium of first hand learning experience. IFBM is the only one of its kind unique hands on learning experience that is offered at DPS to students of classes XI and XII.

Instituted in 2011, the programme now scaled to the level of 13 committees and gained international reputation and patent. Extensive discussions on wide array of topics take place in the forum.

Each-One-Teach-One Projects

Students are encouraged to instill literacy skills to the underprivileged.

Visiting NGO's

Regular visits are made to NGO's are made and donations are given. These visits sensitize the students and bring an awareness about the existence of downtrodden and their lifestyle. They learn values of compassion, benevolence and appreciate little blessings in life.

Career and Guidance Cell at DPS

IC3-International career and college counselling conference and symposium

Students of class XIth and XIIth are frequently guided about the various career choices and options by the Career Counselor. Regular updates on various competitive exams, eligibility, assistance in subject choice in class XI and for class XII the letters of recommendation (LORs) as well as college admissions are given in a customized manner. Regular workshops and sessions for students and parents are also conducted.

one-on-one counselling sessions

Students are given important lessons of life skills by the psychologists and counsellors. Counsellor meets the students on a weekly basis during the Life Skills periods. They work on different ways to tackle and overcome stress factors.

Helpline from the school psychologists is a special feature offered to students of the senior school. The school believes in honing physical fitness, psychological and spiritual health, social consciousness, self-discipline and

concern for the environment in each DPS student through our own systems and practices at all levels – Pre Primary to Senior Secondary.

Enactive Support Field Trips / Educational Tours

Educational trips to the best institutions and to the best organizations in the city like CCMB, IICT, NIMH, NGRI, NIN, etc are organized so that the students get an exposure to the real world and widen their knowledge of the subject. National tours to different states with an educational perspective and International Trips to Singapore, Dubai, NASA USA are a few that were conducted by the school.

Extra Support – beyond classroom learning

- ✓ External Curriculum(Capsule courses) – Digitalised and personal modules are designed for quick revision and retention of the topic.
- ✓ Academic Support Programmes(ASP) – Support classes beyond school hours are provided to ensure good exam preparation.
- ✓ Enrichment Plans – Specially designed course for triggering HOTS and Out of Box Thinking in students.
- ✓ Academic Enrichment Courses: IIT, NEET, CLAT, SAT, CA – Collaboration with Aakash, Career launcher, Mr Global Admits (Manhattan Review), Patshala and other Coaching centers for competitive exam readiness.
- ✓ Olympiads & other External Competitive Exams – Tie up with SOF, NSO, ICO, National Aptitude Olympiad, National Law Olympiad for various olympiad exams to foster logical skills.

Hostel facility during Board Exams

Keeping in mind the significance of the CBSE Board Exam appearing students' needs, who at times have to be left alone due to parents' commitments to travel out of city, school management provides the facility to allow short time stay of a week to a fortnight in school hostel. These facilities provide comfort of attending classes upto 8.00 pm to not only, save travel time but also spend time productively.

Remedial Classes

These classes help to execute the idea that no child should fall into an under-performer category. The school acknowledges each child as an individual with different capabilities. Remedial classes allow individual attention and extra support to the children to elevate their performance level. One-on One personal attention is provided

8 – 8 classes

Under the guidance of experienced teachers. Studying with friends and teachers serves dual purpose – first, it creates the healthy competitive environment and it dilutes the exam pressure and enables them to enjoy the exams as a team.

Academic Support Programmes (ASP)/ Student Enrichment

The school endeavours to lead to the path and not to the point of the educational needs of students. This is done through an exclusive, age appropriate and need based curriculum . Panel discussions, interviews, Skype calls with faculty and group discussions are part of the regular transactions that a student faces at school.

Enriched Curriculum

Academic Enrichment Courses: IIT, NEET, CLAT, SAT, CA

School provides additional academic support and a one stop solution to the students to achieve success in different competitive exams like IIT, JEE, NEET, CLAT, IPM and SAT.

Capsule Courses

During the time of exam specifically and also throughout the year, capsule courses are conducted for classes XI and XII where subject experts from eminent organizations conduct classes on important subtopics.

Olympiads & other External Competitive Exams

Special guidance and coaching at no additional cost are offered to help students prepare for and succeed in external competitive exams, with many DPSites securing national and international ranks in Olympiads such as NSO, ICO, National Aptitude Olympiad, and the National Law Olympiad.

Inspiring Sessions

Workshops & Seminars/ Guest Lectures

Regular guest lectures by eminent personalities and successful leaders are organized not only to motivate the students but also to provide guidance in career options.

Regular Special Assemblies

Class as well as house assemblies are an attraction at DPS. 100% participation, where the students are divided in to choir, anchors, news reporters, creative thinkers/ speakers, talent expressions, etc. Students conduct a through research on a topic and present it as an assembly. It is a great learning platform.

Inter-School Competitions:

Students are given equal chance as well as encouraged to participate in Inter-School Competitions. Teachers train the final shortlisted students to ensure that the success rate is maximum.

Focussing on Physical Fitness

Intra-Murals/ Sports Academies/ Coaching

No schooling is complete without Sports. School believes in healthy mind in a healthy body. All the students are given a choice to choose the sport of their interest to play during PT periods. The sprawling campus with wide range of sports options is the unique feature at DPS. Strong school teams of Cricket, Basketball, Football, Tennis, Badminton, Rifle Shooting and many more have reached National and Inter-National Levels.

GD Pro

A competition where students of grades 9-12 take part in group discussions. They are graded based on the validity of their content, listening skills, speaking time, leadership and other criteria.

Toastmasters Gavel's Club

The students are encouraged to be members of the Gavel's Club, one of its kind and the first one in Hyderabad city. The members develop good communication as well as leadership qualities under the mentorship of the leaders.

Quiz

Regular online and offline quizzes are conducted to gauge students' General Knowledge levels

DPS Chimes

Half Yearly Magazine released every year is a spectacle of students' creative and literary skills.

Student Leadership:

STUDENTS TRAINED AS FUTURE LEADERS

Leadership boot camp is an annual event organised for two days to actuate the qualities of leadership in young leaders. The head boys and head girls of schools across the city are introduced to vital skills of journalism and power of communication. Students develop qualities and vital skills of decision making, community service, coordination and communication

Student Council –

The largest student council with variety of posts is formed after a stringent, multi-layered and democratic process of elections. 80 these are a total of posts for the Classes XI & XII.

Student Marshals

NCC – A sense of duty and commitment towards the nation is instilled through NCC training

Feriya Y Fiesta

Feriya Y Fiesta is a vibrant week-long event blending music, dance, art, debates, and sports. Celebrating cultural diversity, it fosters artistic expression and intellectual discourse. Participants engage in lively debates, showcase artistic talents, and compete in various sports activities, creating a dynamic and inclusive atmosphere. Youth Parliament, Sports Activities, Cosplay and many more are a part of this week-long event.
